

RESUME THOMAS METTLER

PERSONAL INFORMATION

Citizenship Swiss

Office address Institut für Mathematik
Goethe-Universität Frankfurt
Robert-Mayer-Str. 10
60325 Frankfurt am Main

Phone +49-69-798-22596

Email mettler@math.uni-frankfurt.de

Homepage <https://www.math.uni-frankfurt.de/~mettler>

Area of interest Differential geometry, complex geometry, partial differential equations

ACADEMIC EMPLOYMENT

since 6/2015 Institut für Mathematik, Goethe-Universität Frankfurt
W1 assistant professor (successfully passed evaluation)

8/2014 – 5/2015 Department of Mathematics, Université de Fribourg
Postdoctoral researcher

3/2014 – 5/2015 Department of Mathematics, ETH Zürich
Postdoctoral researcher

2/2013 – 1/2014 Department of Mathematics, University of Oxford/Cambridge
Swiss NSF Advanced Researcher Fellowship

7/2012 – 12/2012 Department of Mathematics, ETH Zürich
Postdoctoral researcher

9/2011 – 6/2012 Mathematical Sciences Research Institute, Berkeley, CA
Postdoctoral Fellow

9/2010 – 8/2011 Department of Mathematics, University of California at Berkeley
Swiss NSF Prospective Researcher Fellowship

EDUCATION

4/2006 – 9/2010 Ph.D. in Mathematics, Université de Fribourg, Switzerland
Thesis title: On the Weyl metrisability problem and related topics
Advisor: Prof. Dr. Norbert Hungerbühler

10/2000 – 4/2005 Diploma in Physics, ETH Zürich, Switzerland
Thesis title: D-brane charges in WZW models
Advisor: Prof. Dr. Matthias Gaberdiel
